**Subject:** West Lake Landfill: draft chronology and path forward on NRRB - SSFS reviews

All,

At Karl's request in last Friday's briefing, I'm attaching a DRAFT chronology and list of decisions/path forward that we need to get the review and approval of the Supplemental SFS workplans moving forward. Please review and edit as you see fit.

I'm putting this in an e-mail rather than on the H: drive since I'm not sure Lynn has access to the Schedule Tracker folder yet (I requested this from the Helpdesk, haven't heard back yet). Future drafts and edits should go in the Schedule Tracker folder.

Sincerely,

Daniel R. Gravatt, PG
